

# LOCUM USAGE TRENDS 2021

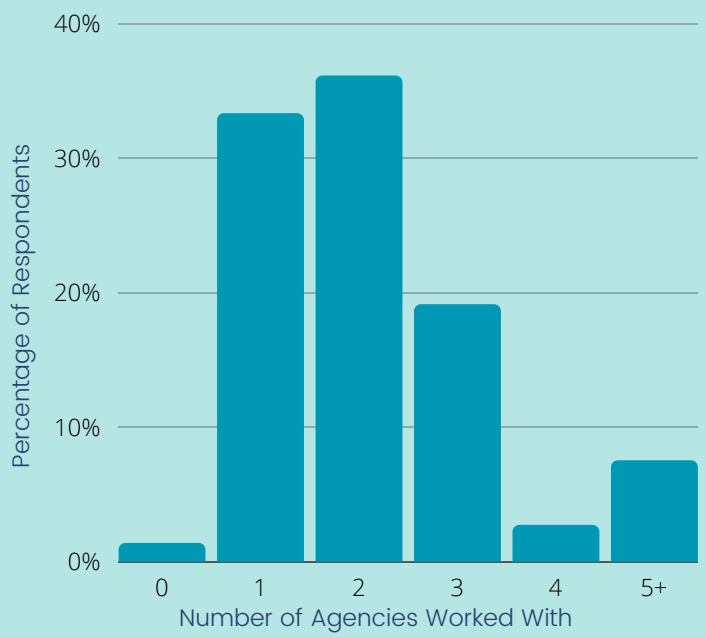

## Barton Associates Client Survey Results

In our 2021 client survey, Barton Associates asked staffing managers at facilities across the United States how they used locum tenens providers and agencies. Respondents' facility types include hospitals, private practices, dental offices, corporate clinics, and IHS facilities.

**63.9%**  
of facilities said they had utilized a locum tenens provider in the past 12 months

**69.4%**  
of facilities said they work with 1 or 2 locum tenens agencies

**39.5%**  
of facilities said their staff mix is made up of 10% or more locum tenens providers on a yearly basis
